

EMMSAD Program (Monday June 16)

Session 1: (9:00-10:40) Process Modeling and the Modeling Process

Chair: *Terry Halpin*

Introduction (10 min)

Towards Systematic Usage of Labels and Icons in Business Process Models
Jan Mendling and Jan Recker

The Power Context of Method-in-Action: A Case Study
Andreas Munk-Madsen

Coffee: 10:40-11:00

Session 2: (11:00-12:30) Formal Issues in Data Modeling

Chair: *Erik Proper*

A formal comparison of conceptual data modeling languages
Marijke Keet

Atomicity and Normalization
Andy Carver and Terry Halpin

Lunch 12:30-14:00

Session 3: (14:00-15:30) Modeling in UML

Chair: *Jan Mendling*

A Modeling Methodology for Empirically Studying User Behavior: The Case of UML Diagram Usage
Gay Costain and Ananth Srinivasan

Modelling Architectural Design Rules in UML
Anders Mattsson, Björn Lundell and Brian Lings

Coffee: 15:30-16:00

Session 4: (16:00-17:30). Method Engineering

Chair: *Graham McLeod*

From Method Fragments to Method Services
Rébecca Deneckère, Adrian Iacovelli, Elena Kornysheva, Carine Souveyet

Method Engineering as Game Design: an Emerging HCI Perspective on Methods and CASE Tools
Stijn Hoppenbrouwers, Patrick van Bommel and Aki Jarvinen

Workshop Dinner (bus ride to Aiguemortes (~ 30 km from Montpellier))

EMMSAD Program (Tuesday June 17)

Session 5: (9:00-10:30) Enriching the Modeling process

Chair: *Janis Stirna*

Using EEML for Combined Goal and Process Oriented Modeling: Evaluation through a Case Study.

John Krogstie

Guiding System Modelers in Multi View Environments: A Domain Engineering Approach

Arnon Sturm

Coffee: 10:30-11:00

Session 6: (11:00-12:30) Metamodeling

Chair: *John Krogstie*

Metamodeling Variability to Enable Requirements Reuse

Begoña Moros, Cristina Vicente-Chicote and Ambrosio Toval

(Meta) Meta Model Extensions for Manageability of Large Scale Collaborative Modeling

Graham McLeod

Lunch 12:30-14:00

Session 7: (14:00-15:30) Agile Modeling and Aspect-Oriented Modeling

Chair: *Jolita Raylte*

What is an Aspect in Aspect-oriented Requirements Engineering?

Hermann Kaindl

Integrating Agile Modeling with Participative Enterprise Modeling

Janis Stirna and Marite Kirikova

Coffee: 15:30-16:00

Session 8: (16:00-17:00) Panel Discussion on Future EMMSADs; Wrap-up

Panelists: John Krogstie (chair), Terry Halpin, Erik Proper, Barbara Pernici

17:00-18:30 IFIP WG 8.1 Business Meeting

Chair: *Barbara Pernici*
