

Montpellier, 6 February 2006

*Object: Sponsorship invitation to PATMOS'06 (Power and Timing Modeling, Optimization and Simulation) Montpellier, France, September 13-15, 2006.
<http://www.lirmm.fr/patmos06/>*

PATMOS'06 is the sixteenth in a series of international workshops. The PATMOS meeting has evolved into an important European event, where industry and academia meet to discuss power and timing aspects in modern integrated circuit and system design.

As organizers of the PATMOS Workshop to be held in Montpellier, France, September 13-15, 2006, we are seeking sponsorship from Semiconductor foundries and ECAD companies. We expect around 150 attendees from all over the world. The PATMOS'06 proceedings will be published by Springer in the "Lecture Notes in Computer Science (LNCS)" series. Selected papers will be included in special issues of Journals, as e.g. The Journal of Low Power Electronics.

You can visit the Conference website at <http://www.lirmm.fr/patmos06/>.

Since this international workshop on Power and Timing Modeling, Optimization and Simulation is the main forum in Europe on power and timing aspects of integrated circuit design with a major emphasis on speed and low-power aspects (with particular regards to modeling, characterization, design and architectures), it is of benefit for your company to be associated with the workshop to gain international visibility and recognition in this field. The amount of your financial support is let to your convenience and there are obviously no constraints.

Sponsors are requested to contact the Sponsors Chair preferably before April 30, 2006, clearly indicating their type and level of sponsorship. An acknowledgement of receipt will be sent by E-mail or fax. A deposit of the sponsorship fee is due before June 30, 2006.

In the case that your company would be kind enough to sponsor our event, please find enclosed the guidelines for sponsorship, including different possibilities, and the contact details. You will also find enclosed a preliminary call for papers.

We are looking forward to receiving your company as a PATMOS'06 sponsor. For more information or specific requirement do not hesitate to get in touch with me

Sincerely yours

Pr. Michel ROBERT

Sponsorship Guidelines

PATMOS'06

Power and Timing Modeling, Optimization and Simulation

Montpellier, France, September 13-15, 2006. <http://www.lirmm.fr/patmos06/>.

1. Sponsorship models

Silver sponsorship

Sponsorship value: 1000 Euros

Includes:

- small logo (minimum 2cm x 2cm) of the company included in the back cover of the conference proceedings, CDROM contents and conference website
- company name mentioned as silver sponsor in the opening session and in the conference dinner (one presentation slide will be displayed with the logo of all silver sponsors)

Gold sponsorship

Sponsorship value: 2000 Euros

Includes:

- large logo (minimum 5cm x 5cm) of the company included in the back cover of the conference proceedings, CDROM contents and conference website
- company name mentioned as gold sponsor in the opening session and in the conference dinner (each gold sponsor will appear in a separate slide)
- possibility to distribute advertisement material to conference attendees (inside conference bag)

Gold+ sponsorship

Sponsorship value: 3000 Euros

Includes:

- all features of the Gold sponsorship
- logo of the company in the introductory slide of each session of the conference
- Specific acknowledgement inside the proceeding
- Any other company advertising could be discussed

2. Deadlines

Sponsorship agreements are expected to be in place before the end May 2006. Late agreements can also be accepted, but sponsors would not be able to benefit from all features mentioned above.

3. Sponsorship agreement and payment information

The attached form should be sent via Fax to +33 4 67 41 85 00 (*Att. To Celine Berger*). Payment information will be mailed to you afterwards.

4. Additional material

In order to take full benefit of the sponsorship, the company must provide the following material:

- company logo in digital format (to be sent via email to berger@lirmm.fr)
- for Gold and Gold+ sponsors: 1 (one) PPT slide to present the company in the opening session (to be sent via email to berger@lirmm.fr)
- for Gold and Gold+ sponsors: advertisement material to be distributed to conference participants inside the conference bag. We are expecting around 150 participants, so provide the material accordingly (to be delivered at *LIRMM Laboratory, Celine Berger-PATMOS*)
